Pine Bluff, Ark .- "For nearly nine ears," says Mrs. M. E. Ewton, of this city, ' I had been almost down with womanly troubles, and, at times, I could scarcely be about at all or do anything. I took different kinds of medicines without any benefit.

I had a pain in my side that it seemed mpossible to relieve.

I used six bottles of Cardui, and now I feel like a different person. I am getting along fine. I can do any kind of work!

Cardui was the only thing that helped me. It is the best remedy I know for run down women. I hope other sufferers will take Cardui and be benefited as I have.'

Do you suffer from some of the disagreeable symptoms of womanly trouble? Let Cardui help you back to health and strength, as it did Mrs. Ewton. Cardui has a record of over 50 years'

successful use to recommend it. Composed of strictly vegetable ingredients, imported especially from Europe for use in this remedy, Cardui does good that stays good, without any ill effects.

As a remedy for women's ills, those who have tried Cardui say it has no equal. Have you tried it? It may be just what you need. Ask your druggist.
